OCTOBER 2018

# A Falling Leaf...

All it took was a falling leaf. He was out walking, enjoying the fall colors. It should have been just another day. But it wasn't. As he walked a colorful maple leaf drifted slowly down until landing right in front of him on the path. Just then it hit him. Like something out of the blue. It was an incredible feeling of dread and sorrow flooding into his consciousness all at once.

As he talked with a pastor later, he was able to collect his thoughts. He hadn't been in a church for decades. When he was a young child his parents took him sporadically to Sunday school before their divorce. They had used the time for themselves enjoying a coffee while their son was being taught by others. One thing he had learned way back then was a little about a person named Jesus. And so that is why all those years later he felt the only place he could go was to a church and seek counsel with a pastor.

The conversation was short but intense. The greying man explained his recent experience with the leaf. What hit him so hard was the realization that he too would one day fall. And that day seemed closer than ever before. His health had been relatively good and he had put away a retirement savings. But seeing the leaf brought to bear the question of his mortality. And he was in great fear and sorrow about it all.

The pastor's message of counsel was simple. All he said was, "Welcome home fellow sinner. Jesus has been waiting for you a long time now." Who would have thought? All it took to hear the voice of God was a falling leaf...

I love the fall colors. Our Creator chose to signal the looming winter with one more blast of beauty before all the white and cold. The Lord speaks to us through his good creation. Our Father reminds us of his creative hand and tender mercies. Yet he also uses such to get us to ponder our condition and seek him while he may be found.

Friends, has the Lord been knocking at your heart's door? Is he somehow using the circumstances of your life to sober your judgments. Listen for his still small voice. As the old hymn reminds us, "Softly and tenderly Jesus is calling, calling oh sinner come home". Blessed Fall to all!

In Christ, Pastor Bryan

## **Ark Encounter & Creation Museum Trip**

On August 19<sup>th</sup>, 40 members from nine different churches set out on a bus tour sponsored by First Lutheran Church in Clear Lake to visit the Ark Encounter and Creation Museum.

Overall it was a great trip. We had people from age 9 to 80 and from different churches and denominations. As Christians we tend to focus sometimes on our differences in doctrine instead of our similarities and our love for Christ so it's nice when we can do something like this together. I would recommend anyone to take this trip to help grow your faith and especially take kids. We will be going back again.

# First Lutheran Celebrates 100 Years with Groundbreaking

First Lutheran celebrated its 100<sup>th</sup> anniversary on Sunday, August 26, with a 10 AM church service, which included special guests, such as previous pastors and their families. Artist Pastor Paul Oman painted a large canvas during the service, which will hang in the church fellowship hall for years to come. Attendees stayed for a catered meal following the service and browsed historical displays showcasing the church's 100 years. One special historical item that was unveiled was a time capsule that had been placed in the Fifth Street church addition in 1974. The time capsule included a program from the 1974 groundbreaking ceremony, numerous 1974 newspapers, construction documents, coins, a Clear Lake Days button, and the icing on the cake, a 'Happy Birthday' card from deceased member Leland Paulson. The meal was followed by the groundbreaking for Phase II to build the South Avenue location's sanctuary. Building the sanctuary will allow the membership to utilize the fellowship hall for its intended purpose, rather than using it as a worship space. The congregation looks forward to another century in Clear Lake to live out its motto of "Growing God's Family by Serving." (Article reprinted from the Clear Lake Museum Chronicle, by Liane Petersen.)

Special guests: Back Row: L to R. Pastor Steve Nelson, Pastor Bryan Anderson, Pastor Dan Ankerfelt, Pastor Perry Fruhling. Front Row: L to R. Pastor Diane Blahauveitz, Larry Blahauveitz, Joan Day, Amy Johnson

Pastor Paul Oman painted this piece during the worship service and it will hang in First Lutheran's fellowship hall.

Groundbreaking ceremony honorees L-R: Cory Scheilder (Cedar Corp., Architect); Joe Berghammer (Berghammer Builders, Contractor); Committee Chair Brian Wick; First's oldest and longest members Carol Anderson, Gail Clark, Myrna Paulson & Shirley Buhr; committee member Gary Hanson, Church Council president Dale Wirth, committee members Jack Jungmann & Jerry Thompson.

Underground Church Police are needed for this CLAY EVENT.

**YOUR MISSION:** Safely make it to the church by identifying a Christian with the clues! To successfully complete your mission, you must navigate through acres of dark woods, high brush, and pine and thorn terrain; avoid "police" and other perils. If you reach your destination, you will be richly rewarded (with food for the body and the soul). ©

# If you are ready to accept this mission, then read and complete the following instructions:

MEET: At 6:00 p.m. at any of these FOUR churches: First Lutheran (Clear Lake), United Covenant Church (Clear Lake) or East Lincoln Alliance (Amery), Reeve Free (Reeve).

**RETURN:** To the same church that you came to at 10 – 10:30 p.m. (Unless you or your parents have made arrangements with your Youth Leader and Van driver it is important to return in the same vehicle at the same church. (Last year we spent extra time searching for a lost body; we mean person©.)

**BRING / WEAR:** Weather appropriate, (this event is outdoors), dark/camouflage clothes that can get dirty, grubby shoes or boots a flashlight, maybe safety glasses. (We would suggest if you bring phones be sure you have a zip pocket for them. There were phones lost in the past.)

#### **Any questions by YOU or Parents?**

Jim and Cindy Mohrland @ 715-948-2153 or ask your Youth Leader.

The Underground Church is a Youth Event designed to replicate what Christians in persecuted countries go through to attend a simple worship service. The ultimate purpose of this event is to raise awareness of the persecuted church, to cultivate thankfulness for our religious freedoms, and to encourage young people to stand firm in their faith.

Would you be willing to disguise yourself as a 'POLICE' at the CLAY Underground Church Event?

Date: October 20, 2018, SATURDAY

Time: 6:00 P.M. – 10:00 P.M.

**Where:** It's a secret; however, you will be informed about details if you are a volunteer. The location will be in one of these places - Clear Lake, Reeve, Amery, Turtle Lake, Clayton, or Deer Park.

Please inform Jim and/or Cindy Mohrland if you would be available or have other questions. E-mail/cinjim49@gmail.com; (H) 715-948-2153; © 651-470-2129

#### What is CLAY?

Some youth events have been promoted as CLAY events. So what is CLAY? Some of you may remember it stands for Christ Led Area Youth.

<u>What is the purpose of CLAY?</u> To create events where students can encounter and choose to follow the Living Christ and create events that will encourage existing Christians to grow in their faith, reach out to others and deepen their relationships with other believers.

**The CLAY verse:** 2 Corinthians 4:7 "But we have this treasure in jars of clay to show that this all-surpassing power is from God and not from us."

Reflection of verse: As Christians, we have a treasure for the world – the gift of Jesus Christ. As youth, we often feel inadequate to share this treasure with those around us. But God tells us he has put this treasure in clay pots (in us – in plain, inadequate, ordinary vessels) so that people would know it isn't US, but the power of God! We don't have to be "adequate"; we have to be willing and faithful!
